

Our annual WE3 Expo is coming to the **RP Funding Center** on Nov. 1-3! If you want to see firsthand what Polk County Public Schools is all about, this is THE event to attend.

Hundreds of booths and live demonstrations showcase our district's schools, career academies and programs -- including STEM, fine arts, International Baccalaureate, and more!

See the flyers below or visit WE3Expo.com for more details. Check out our event post on Facebook: <https://tinyurl.com/ycmpp67q>.
