

SCHEDULE A TOUR

Take a look at our website and then come IN PERSON and take a tour led by one of our cadets!

Find out about our unique electives and interesting courses and see why we are the best choice for high school.

We instill leadership, citizenship, academics, and camaraderie in an optimum setting for learning and growing into a responsible adult.

To ensure COVID19 protocols, our tours are scheduled 15 minutes apart. Limit 2 adults and 2 students per group.

SIGN UP REQUIRED!!!
